

**VENTURA COUNTY CHRISTIAN SCHOOL**  
 96 MacMillan Avenue  
 Ventura, California  
 93001-3325

**Athletics at VCCS**

Being involved with the athletics program at VCC also means making history and helping to lay down traditions.

Most students in the middle and high schools are involved with the sports program in some way, either by joining a team or going to games to cheer on the Stars. The high school is a member of the Omega League of the CIF, Southern Section, Division V. Varsity teams have gone to CIF playoffs almost every year.

VCCS is a great place for sports because of the strong emphasis on good sportsmanship. It is also a place where all athletes can enjoy the excitement of team sports.

The VCCS Sports Program includes:

**High School:**

- Boys' Baseball
- Boys' Football
- Boys' & Girls' Basketball
- Cheerleading
- Girls' Softball
- Girls' Volleyball
- Golf

**Middle School:**

- Boys' Baseball
- Boys' Flag Football
- Boys' & Girls' Basketball
- Cheerleading
- Girls' Softball
- Girls' Volleyball

# VENTURA COUNTY CHRISTIAN SCHOOL

*"...so that you may become blameless and pure, children of God without fault in a crooked and depraved generation, in which you shine like stars in the universe as you hold out the word of life..."* —Philippians 2:15,16

## About Ventura County Christian School

As an academic institution, we pride ourselves in our K-8 and high school programs. Students in the elementary and junior high schools are trained up according to rigorous academic, physical, and spiritual standards.

The high school students are prepared for college and for life as they learn to

integrate their Christian identity into all aspects of who they are and what they know, while going through a quality college-preparatory program that has been sending students to the schools of their choice since 1994.

VCCS is non-denominational and from its beginning has been designed to meet the needs

of the church community by offering an excellent Christian education program, now available to students in grades K-12. As our mission states, we are here to partner with home and church.

Service to our Creator is stressed in academics, athletics, and community service. With these emphases central to our mission, VCCS has consistently graduated strong Christian leaders, ready to identify with Christ and to clearly uphold the biblical standards they have apprehended.

## Our Program

VCCS offers college-preparatory courses, including honors and advanced placement in high school (according to demand); honors courses are also offered in middle school.

In addition to Bible classes that are required each semester, Bible truths are emphasized as an integral part of each subject.

Texts and curricula from such publishers as A Beka™ and TextWord™ are used throughout the grade levels. Our high school curriculum has been certified by

the University of California and California State College Systems, an acknowledgement of the quality of education offered through our program.

Local pastors and other Christian speakers lead our weekly chapels, engag-

ing the students in dialog about important issues and contributing to the spiritual growth of our students.

VCCS trains a student-led worship team to share their faith through the gift of worship, and several high schoolers assist with the elementary chapels.

In addition to core academic subjects, there are a variety of electives offered to junior and senior high students. Art, Music, and Spanish are also offered to 1<sup>st</sup>-5<sup>th</sup> kids. Junior and senior high schools also go to Hume Lake each year.

Please send me more information about enrolling in:

K-5     6-8     9-12

Please send me information about financially supporting VCCS.

Please send me information about financially supporting a student's attendance at VCCS.
